Any other Surgeries/ Procedures agreed by TPA/COMPANY which require less than 24 hours hospitalization due to subsequent advancement in medical Technology.	any other surgeries / procedures agreed by the TPA and the Company which require less than 24 hours Hospitalisation and for which prior approval from TPA is mandatory.

IMPACT

Clarity in day care procedures as 36 new procedures are added in the list. This will be beneficial for the client. However, in case of newer technologies, mandatory prior approval shall be taken from the TPA which is difficult because TPA will rely on Insurance Companies to take the call.
